Information

Conference Materials

In accordance with Presbyterian Healthcare Services' sustainability initiative, the course handouts/syllabus materials will be offered online ahead of time to give attendees the opportunity to view, download or print them prior to the conference. Confirmed registrants will receive an email announcement notifying them when syllabus materials will be available online. Printed syllabi will not be available onsite.

Conference Attire

Conference dress is business casual and each attendee is encouraged to bring a sweater or jacket for comfort during the meeting.

Attendee Cancellation, Substitution, Refund

The course tuition is refundable, minus a \$25 processing fee, if your cancellation is received in writing no later than **May 14, 2018**. Attendee substitutions are allowed, but notification must be made in writing by the Tuesday prior to the course. After this date, under no circumstances will refunds, credits or substitutions be granted. No refunds or credits will be given to "no shows."

Presbyterian Conference Modification or Cancellation

Presbyterian Healthcare Services reserves the right to modify the course's schedule or program as necessary. Presbyterian also reserves the right to cancel this conference, in which case a full refund of the registration fee will be provided. We are unable to refund any travel costs (flight, hotel, etc.) in the event of cancellation.

Persons with disabilities who may need auxiliary aids or services are requested to contact the Medical Education Department at (505) 841-1225 at least one week prior to this conference so appropriate arrangements can be made.

Registration

Registration fee is applicable for full or partial attendance and includes electronic syllabus materials, refreshment breaks, lunch and other amenities involved in a rewarding learning experience.

Please register online at: <https://phs.swoogo.com/sfic2018> or complete the registration form in this brochure and forward it with the registration fee to:

2018 Santa Fe Interventional Cardiology
Conference
PHS Medical Education
P.O. Box 26666
Albuquerque, NM 87125-6666
Fax (505) 724-8725

Early registration deadline is May 4, 2018. You will receive a confirmation email upon receipt of the conference registration form and payment.

Hotel Accommodations

The Eldorado Hotel and Spa call center is open seven days a week from 6 a.m. to 10 p.m. MST. Reservations can be made by calling (505) 988-4455 or toll-free at 800-955-4455. Guests calling in may reference either the group name or group code.

The group room rate is \$215 plus tax plus a daily \$25 resort service charge. This charge includes parking, Wi-Fi, bottled water and other hotel amenities. For guests that are not staying at the hotel, the daily parking fee is \$12 and subject to availability. The cutoff date for the group rate is May 4, 2018.

Santa Fe Interventional Cardiology Conference:

Case-Based Learning

Saturday, May 19, 2018

Eldorado Hotel and Spa
309 W San Francisco St, Santa Fe, NM 87501

*A Continuing Medical Education Conference
Presented by Presbyterian Heart and Vascular Care*

Santa Fe Interventional Cardiology Conference

Statement of Educational Need

This conference is designed to provide an update on the most current evidence-based diagnostic and treatment strategies for your patients. A dynamic mix of lectures and case presentations from national and regional cardiovascular experts will be used to provide an academically sound and clinically relevant cardiology review.

Target Audience

This course is designed for interventional cardiologists, clinical cardiologists, cardiac surgeons, electrophysiologists, fellows and residents in training, advanced practice professionals, doctors of pharmacy, nurses and other healthcare professionals with a special interest in the field of interventional cardiology.

Learning Objectives

At the conclusion of this activity, learners will be able to:

- Apply the latest tools, techniques and clinical utility of chronic total occlusion intervention
- Identify the tools and techniques that make percutaneous coronary intervention a good option in high-risk patients with angina techniques
- Cite the current indications for catheter-based techniques, including transcatheter aortic valve replacement (TAVR), transcatheter mitral valve repair, left atrial appendage occlusion, ASD and paravalvular leaks
- Analyze the benefits and risks of radial access and assess management of complications through review of the outcome data for percutaneous coronary intervention using the radial approach
- Determine mitral valve clip clinical utility and identify which patients are appropriate selections for MitraClip®
- Recognize the benefits and risks of left atrial appendage occlusion and discuss appropriate use criteria
- Integrate HOCM, its diagnostic evaluation and the appropriate treatment options

Accreditation and Disclosure

Accreditation: Presbyterian Healthcare Services is accredited by the New Mexico Medical Society (NMMS) to provide continuing medical education for physicians.

AMA Credit Designation:

Presbyterian Healthcare Services designates this live activity for a maximum of 7.5 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Disclosure: The Presbyterian Healthcare Services' Medical Education Department adheres to the ACCME Standards for Commercial Support™ regarding industry. It is the policy of Presbyterian Healthcare Services to ensure balance, independence, objectivity and scientific rigor in all its educational programs. All participating faculty are expected to disclose to the participants any real or apparent conflict of interest related to the content of their presentations.

Program Evaluation: Program evaluations will be completed online. You are encouraged to take notes on each speaker and presentation at the program. In compliance with our guidelines, you must answer all questions and submit your online evaluation in order to receive your CME certificate.

**Please register early!
Space is limited.**

Welcome Dinner – Friday, May 18, 2018

A dinner symposium will be held at the Eldorado Hotel and Spa on Friday, May 18, 2018. The dinner symposium is included in the price of your conference registration. If you are able to attend the dinner symposium, please indicate that when you register.

**6 p.m. to 9 p.m. "Interventional Cardiology: Past, Present and Future"
Dr. William Lombardi, University of Washington Medical Center.**

Additionally, attendees are invited to submit interesting cases for discussion over dinner. Four cases will be selected for review. Please submit cases before May 18, 2018, to:

Robert Federici, MD
201 Cedar St SE #7600
Albuquerque, NM 87106

Program – Saturday, May 19, 2018

7:15 a.m. Registration, Continental Breakfast and View Exhibits

8:00 a.m. Welcome and Program Introduction: Dr. Robert Federici

Morning Session - Moderator: Guilherme Marin, MD

8:10 a.m. Complex High Risk Percutaneous Intervention, Dr. Khaldoon Alaswad

8:55 a.m. Complex Percutaneous Intervention Cases

9:30 a.m. Cardiovascular Support in Shock and High Risk PCI, Dr. Charles Wilkins

10:00 a.m. Refreshment Break and View Exhibits

10:15 a.m. Evolution of Chronic Total Occlusion, Dr. William Lombardi

11:00 a.m. Chronic Total Occlusion Cases

11:30 a.m. Practical Approach to High Risk Interventional Using Radial Techniques, Dr. Khaldoon Alaswad

12:00 p.m. Lunch and View Exhibits

Afternoon Session - Moderator: Aamer Rehman, MD

1:00 p.m. TAVR Current Approach and Future Directions, Dr. Kayvan Ellini

1:40 p.m. Percutaneous Repair of the Mitral Valve, Dr. William Gray

2:20 p.m. Percutaneous Mitral Valve Repair Taped Case

2:45 p.m. Refreshment Break and View Exhibits

3:00 p.m. Practical Approach to Symptomatic Hypertrophic Cardiomyopathy, Dr. Robert Federici

3:30 p.m. ASD/PFO: Who to Close and How to Close, Dr. Sharif Halim

4:00 p.m. Left Atrial Appendage Occlusion to Prevent Strokes in Atrial Fibrillation, Dr. William Gray

4:40 p.m. Left Atrial Appendage Occlusion Device Taped Case

5:00 p.m. Closing Remarks, Dr. Robert Federici
