Immigration: Winner

And all the honorees at this year’s
ELITE TRIAL LAWYER AWARDS
Dear Honorees and Guests,

It is our distinct pleasure to welcome you to The National Law Journal and ALM’s 2019 Elite Trial Lawyers dinner. We are pleased to announce the recognition of about 100 finalists, culled from more than 300 law firm submissions across more than 20 categories. The lawyers and law firms selected as finalists by our editorial team have demonstrated exemplary performance in cutting-edge work for plaintiffs over the last 18 months.

This year, we also recognize our newest class of lawyers for Elite Women of the Plaintiffs Bar. This category celebrates women lawyers who have made an impact on the profession by consistently excelling in high-stakes matters on behalf of plaintiffs. The winners in each of these categories will be announced tonight.

In addition to celebrating the Elite Trial Lawyers of 2019, ALM is excited to present the Keith Givens Visionary Award tonight to Eric Cramer, chairman of Berger Montague. Cramer is a highly-regarded litigator who has led high-stakes antitrust cases on behalf of consumers, workers and businesses.

Thank you all for joining us tonight, and to our honorees, congratulations on your work and recognition. We also thank our sponsors for helping to make this event possible.

Sincerely,

Richard Caruso  
Vice President,
